

High On Cold War

Darkthrone

Everything is bigger than you think
...and you are smaller
Vrakrester
P de store moralske dyp

The art of burning bridges
Hooked on greed
Hensynslost observerende
Den langvarige indoktrinering

The negative way of evil
The failure of humanism
Paving your way to misery
I laugh as you run astray

The art of burning bridges
Hooked on greed
Hensynslost observerende
Den langvarige indoktrinering
