

## Lifeless

## Darkthrone

Deprived of Will  
Three Feel in the Grave  
Decaying Soul  
Myself I shall Kill

Life Less  
Deprived  
Lifeless  
In Hatred

Portal of Fear  
(with) Ornaments of Sin  
Barren Life  
Drained of Blood, I'm Near

Life Less  
Deprived  
Life Less  
In Hatred

Awaiting Grimly in the shadows...  
Utter totalitarian fortress of Voidnight  
In the Water of Life the Circuits are breaking  
Eons of Numb Hoplessness Lies Ahead

Life Less  
Deprived  
Life Less  
In Hatred
