

# Whiskey Funeral

Darkthrone

Fuckin' forced to sleep  
In this life  
Enough time to be sober  
In death

Whisky  
Funeral  
Whisky  
Funeral

Brandish the brandy  
Shrouds wave in fury  
Raise the fever pitchers  
To our glorious demise

Whisky  
Funeral  
Whisky  
Funeral

Whisky  
Funeral  
Whisky  
Funeral

Withdrawl trembling  
This, the black weapon  
Hear the roaring sensation  
Of my fuckin' flamboyant wake

Whisky  
Funeral  
Whisky  
Funeral

Fuck Off!
