

(Today I Met) The Boy I'm Gonna Marry

Darlene Love

Today I met the boy I'm gonna marry
He's all I wanted all my life and even more
He smiled at me and the music started playing
Here comes the bride when he walked through the door
Today I met the boy I'm gonna marry
The boy who's life and dreams and love I want to share
The boy whose on my hand a band of gold will bear
The band of gold I always dreamed I'd wear
When we kissed I felt a sweet sensation
This time it wasn't just my imagination
Today I met the boy I'm gonna marry
He's just what I've been waiting for oh yes
With every kiss it's as if my heart keeps saying
Today I met the boy I'm gonna marry
When we kissed I felt a sweet sensation
This time it wasn't just my imagination
Today i met the boy I'm gonna marry
He's just what I've been waiting for oh yes
With every kiss it's as if my heart keeps saying
Today I met the boy I'm gonna marry
