

## Mercy Endures

Darlene Zschech

I come to You, my God  
The joy of my salvation,  
In You I put my trust.  
And though I walk through valleys low,

I will fear no evil.

Your love endures forever,  
Reaches to the heavens.  
And though my flesh may fail me,  
You're the strength of my heart,  
You will always be.  
I know Your loving kindness,  
The power of forgiveness.  
All that I hold dear is Yours.  
My Jesus, it's You I long for.

I love Your Name, Oh Lord,  
I'll sing Your praises eternally.  
My life is in Your hands,  
And when darkness tries to cover me,  
I will ever give You praise. I will ever glorify.
