

Testament

Darlene Zschech

God, You are the author of my days
God, You are the one who makes a way
I'm learning how to trust when I can't see You clearly
I'm holding onto hope
Oh God, You are the one who'll never change

My testament is You
My testament is You

I know You're working all things for my good
Help me God to trust You as I should
You're with me like David and Goliath
Just like Daniel and the lion
Oh God, You are the one who'll never change
I know You are the one who'll never change

My testament is You
My testament is You

I know that You will make a way
Where there is no way
You'll never fail
My testament is You

When life in all its fullness
Doesn't look like what I dreamed
I'll find You walking with me
Turning deserts into streams
So I'll dance with Holy fire
As I lift my shout of praise
For the glory of Your name

When life in all its fullness
Doesn't look like what I dreamed
I'll find You walking with me
Turning deserts into streams
So I'll dance with Holy fire
As I lift my shout of praise
For the glory of Your name
The glory of Your name

My testament is You
My testament is You

I know that You will make a way
Where there is no way
You'll never fail
My testament is You

I know that You will make a way
Where there is no way
You'll never fail
My testament is You
My testament is You
