

1979

Darlingside

Shakedown 1979

Cool kids never have the time
On a live wire right up off the street
You and I should meet

Junebug skippin' like a stone
With the headlights pointed at the dawn
We were sure we'd never see an end
To it all

And I don't even care
To shake these zipper blues
And we don't know
Just where our bones will rest
To dust I guess
Forgotten and absorbed
Into the earth below

Double-cross the vacant and the bored
They're not sure just what we have in store
Morphine city slippin' dues
Down to see

That we don't even care
As restless as we are
We feel the pull
In the land of a thousand guilts
And poured cement

Lamented and assured
To the lights and towns below
Faster than the speed of sound
Faster than we thought we'd go
Beneath the sound of hope

Justine never knew the rules
Hung down with the freaks and ghouls
I know you better than you fake it
To see

That we don't even care
To shake these zipper blues
And we don't know
Just where our bones will rest
To dust I guess
Forgotten and absorbed
Into the earth below

The street heats the urgency of now
As you see there's no one around
