

Any World (That I'm Welcome To)

Darrell Scott

If I had my way I would move to another time; I'd quit my job,
ride the train through the misty night-time. I'll be ready when
my feet touch the ground, wherever I come down, And if the fol
ks will have me, then they'll have me.

Any world that I'm welcome to [any kind of world] Any world tha
t I'm welcome to Any world that I'm welcome to Is better than t
he one I come from.

I can hear your words when you speak of what you are and have s
een; I can see your hand reaching out through a shining daydrea
m. Where the days and nights are not the same, captured happy i
n a picture frame; Honey, I will be there, yes, I'll be there.

[chorus]

I got this thing inside me that's got to find a place to hide m
e. I only know I must obey this feeling I can't explain away.

I think I'll go to the park, watch the children playing; Perhap
s I'll find in my head what my heart is saying. A vision of a c
hild returning, in a kingdom where the sky is burning; Honey, I
will be there, yes, I'll be there.

[chorus]

Is better than the one I come from. Is better than the one I co
me from.

Any world that I'm welcome to. [any kind of world]
