Moonlight Midnight

Darrell Scott

If you ever feel lonesome
And you are down and sadden tone
Vex steals a borrow two nickels or a dime
And call me on the phone
And I'll meet you in alamo mission
We can say our prayers
The holy ghost and the virgin mother
Will heal us as we kneel there

In the moonlight in the midnight
In the moonlight midnight moonlight
In the moonlight in the midnight
In the moonlight midnight moonlight

If you ever feel sorrow
For the deeds you have done
With no hope for tomorrow
In the setting of the sun
And that ocean is how they

With the things that might have been
At last good morning sunrise
Will be the brightest you have ever seen

In the moonlight in the midnight
In the moonlight midnight moonlight
In the moonlight in the midnight
In the moonlight midnight moonlight
Oh In the moonlight in the midnight
In the moonlight midnight moonlight
In the moonlight in the midnight
In the moonlight midnight moonlight
In the moonlight in the midnight
In the moonlight midnight moonlight
In the moonlight in the midnight
In the moonlight midnight moonlight
