

# Let's Try Being In Love

Darren Hayes

Being in love  
Let's try being in love  
Let's try being in love  
Being in love

I'm in love  
With the idea of being in love  
I'm in love  
And there's no way to hide the deed  
It's in the air  
Bergamot  
And humidity  
I've seen it before  
In your eyes  
Adolescent dreams

So let's try being in love  
Let's try being in love  
Let's try being in love  
With the idea of being in love

Let's try being in love  
Let's try being in love  
Let's try being in love  
Oh

I'm in love  
With the idea of being in love  
I feel whole  
With the idea of being in love  
I've seen it before  
In your eyes  
Only God will know  
So let's try being in love  
Oh

I'm in love  
With the idea of being in love  
I absolve  
All my responsibilities  
If I take your hand  
In my mouth  
Will I taste the sea?  
Eros evolves  
By the pool  
Skin inviting me

So let's try being in love  
Let's try being in love  
Let's try being in love  
With the idea of being in love

Let's try being in love  
Let's try being in love  
Let's try being in love  
Oh

I'm in love  
With the idea of being in love  
I feel whole  
With the idea of being in love  
I've been there before  
In your eyes  
Only God will know  
So let's try being in love  
Oh

Am I by your side?  
Am I on my own?  
Do I dare to speak?  
Will I die alone?  
Am I five decades?  
Am I twenty-four?  
Laden with desire  
Never felt before  
Teenage passion  
Middle-aged despair  
All the pregnant thoughts  
Linger in the air  
Am I by your side?  
Am I on my own?  
Do I dare to speak?  
Will I die alone?

Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's try being in love  
Let's...
