

## Old & Grey

Darren Kiely

I will be old and grey  
Before I ever forget those eyes in the rain  
The darkest of blue just like me without you  
And that smile as fair as wildflowers in bloom

Without you I have no home  
Without you I'm skin and bones

You had me high as the smoke  
Drifting right over the Gap of Dunloe  
Now I'm as low as the dew on the grass  
Dreaming of things I'll never get back

Without you I have no home  
Without you I'm skin and bones

I'll never not want you  
Never not need you  
Never not feel you close  
I'll never not love you  
Never not see you  
Never not miss you most

I will be good and gone  
Before I see a sunrise and it's not you that I want  
As far as I know there's no heavier stone  
Than carrying your memory wherever I go

Without you I have no home  
Without you I'm skin and bones

I'll never not want you  
Never not need you  
Never not feel you close  
I'll never not love you  
Never not see you  
Never not miss you most
