

# Say I

Darren Kiely

Oh, these voices are my only friends  
And I can't count anyone but them  
So, we'll drink 'til my blood starts thinnin'  
Just to make it out in the end  
I close my eyes but there's no quiet yet

And Iiii  
Got nothing left to lose  
So Iiii  
Keep praying like a fool

Say I  
Say I  
Still got a heart worth saving  
Say I  
Say I'm  
Still worth the breath I'm takin'  
Tell me I'm not  
Tell me I'm not alone  
Before the light runs out again  
Say I  
Say I'm not the man they say I am

And if I pour these voices down the drain  
What if nothing left of me remains  
This is just the beginning  
And they were right in the end  
If anybody's listening  
If anybody can

Say I  
Say I  
Still got a heart worth savin'  
Say I  
Say I'm  
Still worth thebreath I'm takin'  
Tell me I'm not  
Tell me I'm not alone  
Before the light runs out again  
Say I  
Say I

And I need somebody  
Ooh  
I need someone  
Ooh  
And I need somebody  
Ooh  
And I need someone

Say I  
Say I  
Still got a heart worth savin'  
Say I  
Say I  
Can find the fight and make it

Tell me I'm not  
Tell me I'm not alone  
Before the light runs out again  
Say I  
Say I'm not the man they say I am  
I'm not the man they say I am  
Say I  
Say I
