na na na na na na na na na na na

Its cold  
Outside  
theres nowhere left to hide  
stay with me we can last forever

we got to hold on  
we need to be strong  
we can be everything we want  
take my hand and we can run together

(amigos forever)  
Amigos, forever  
and forever, we will be  
forever you and me  
amigos

(amigos forever)  
Amigos, forever  
and forever, we will be  
forever you and me
