

Cutting Deep

Darren Styles

Goodbye, sweet love of my life,
Losing you cuts as deep as knife,
I know I did you wrong,
And things weren't right,
But I loved you girl, more than life

More than life

Goodbye, sweet love of my life,
I hope he loves you as I do,
And everything turns out right.
Alone I'll stay with my memories of you,
Goodbye sweet love,
Goodbye and goodnight
