

Shining Down

Darren Styles

You picked me up
And swept me away
It was the first time in my life
That I'd ever felt this way
I opened up my eyes
And all I could see was
Was the sunlight from above
And the moon, shining down on
Me
Shining down on me
Shining down on me

Shining down on, shining down on
Shining down on me

Don't stop that
Don't stop that body rock!

Shining down on, shining down on
Shining down on me

Don't stop that
Don't stop that body rock!
