

Ab raaton ko mujhe loriyaan
Kaun sunayega, kaun sunayega
Kaun sunayega

Ab subah ko mujhe pyaar se
Kaun jagayega, kaun jagayega
Kaun jagayega

Ke tum bole bina, hi chale gaye
Hum poore hoke bhi ab, adhoore reh gaye

Ke teri yaadein aaye maa
Dil ko bada sataaye maa
Ke teri yaadein aaye maa
Dil ko bada sataaye maa

Ke teri yaadein aaye maa
Dil ko bada sataaye maa
Ke teri yaadein aaye maa
Dil ko bada sataaye maa

Kitni baatein karni thi
Kitna kuch kehna tha
Tujhko hasana tha aur
Tere haath se khana tha maa

Seene se mujhko tu
Apne lagale naa
Aawaaz deke mujhe tu
Phir se bula dena

Duayein roz karta hoon
Uss rab se yehi main
Sab kuch mera lele par
Meri maa lauta dena
Meri maa lauta dena
Meri maa lauta

Ke tum kuch bole bina, hi chale gaye
Hum poore hoke bhi ab, adhoore reh gaye

Ke teri yaadein aaye maa
Dil ko bada sataaye maa
Teri yaadein aaye maa
Dil ko bada sataaye maa

Ke teri yaadein aaye maa
Dil ko bada sataaye maa
Ke teri yaadein aaye maa
Dil ko bada sataaye maa

Ke teri ye yaadein
Ke teri ye yaadein maa
Ke teri ye yaad aaye maa
Ke teri ye yaad aaye maa
