

Tum Mere

Darshan Raval

Girl, your love
Is all I ever need
Oh girl, your smile
Makes me weak at my knees
My heart goes, hmm...
Ho ho ho...

Tumne humko
Yeh kya kar diya
Tum jahan chal diye
Dil wahan chal diya

Tumne humko
Yeh kya kar diya
Tum jahan chal diye
Dil wahan chal diya

Teri raahon ko takte
Chaand taare sab nikal aaye
Mita do dooriyan yeh
Raat yoon hi na guzar jaaye

Ho tum mere gale lag jao
Main saare dard bhula dunga
Bhula dunga main khud ko

Tum mere marham bann jao
Yeh saare zakhm bhula dunga
Bhula dunga main khud ko

Girl, your love
Is all I ever need
Oh girl, your smile
Makes me weak at my knees
My heart goes, hmm...
Ho ho ho...

Sach tu bane jhootha main banu
Rabb se jo mange dua main banu
Khud ko bhula ke tera main banu
Chahat hai meri

Chhoo le jo tujhe woh hawa main banu
Teri khushiyon ki wajah main banu
Teri har din ki subah main banu
Kismat ho meri

Yeh aankhein neend se
Jab bhi khule
Tum hi nazar aao

Sirhaane rakh ke soya
Khwaab jo main
Sach bhi kar jao

Tum mere gale lag jao
Main saare dard bhula dunga

Bhula dunga main khud ko

Tum mere marham ban jao
Yeh saare zakhm bhula dunga
Bhula dunga main khud ko

Girl, your love
Is all I ever need
Oh girl, your smile
Makes me weak at my knees
My heart goes, hmm...
Ho ho ho...
