

Lover

Darwin Deez

You only care about your hair
To you, a mirror is a miracle
Don't even notice that I'm there
Too busy checking at your spherical

It's another one down the drain
Act the beautiful, but not the brain
Unless you show me that you're not to blame
Stop acting so vain

Do you want to be my lover or not?
It's got nothing to do with me
But if you want to be my
It's got nothing to do with me

So get the fuck out of my face
No, I don't care to meet your parakeet
Give me time and give me space
Oh, all you ever do is stare at me

It's another one kicks a can
Had the strategy but not the plan
Unless you show me that you're not so bland
I'm taking a stand

Do you want to be my lover or not?
It's got nothing to do with me
But if you want to be my
It's got nothing to do with me

And now I see that I'm yours
But you're not quite mine?

Do you want to be my lover or not?
It's got nothing to do with me
But if you want to be my
It's got nothing to do with me

Do you want to be my lover or not?
It's got nothing to do with me
If you want to be my
It's got nothing to do with me
Do you want to be my lover?
Do you want to be my lover?
Do you want to be my lover?
Do you want to be my lover?
