

Too Shy To Take A Shine

Darwin Deez

The parking brake is gonna end this date
If you go and pull on it now
And I don't know how much longer we can respectively idle

All I see is bureaucracy, red tape surrounding our tongues
In more ways than one
And I know just which film you mean
Can't think of the title

And in a way, I wanna stay until I'm watching you awake into a new da
y
And in a way, I wanna go straight home
And in a way, I wanna be yours and you could be mine
And it would be fine
But you can see I'm too shy to take a shine

The secretary of secret insecurities
In the driveway where you ate
The resident lovesick idiot
Whose just too chickenshit to go for you hand

And in a way, I wanna stay until I'm watching you awake into a new da
y
And in a way, I wanna go straight home
And in a way, I wanna be yours and you could be mine
And it would be fine
But you can see I'm too shy to take a shine
Too shy to take shine

To a neighbouring nation
With whom conversation
Has come to a standstill [?]
The longer we sit here
The closer we get dear
To all I can handle

And in a way, I wanna stay until I'm watching you awake into a new da
y
And in a way, I wanna go straight home
And in a way, I wanna be yours and you could be mine
And it would be fine
But you can see I'm too shy to take a shine

And in a way, I wanna stay all night until a new day
And in a way, I wanna go straight home, I wanna go straight home
And in a way, I wanna be yours, be mine, be fine
See I'm too shy to take a shine
Just too shy to take shine
Yeah, yeah
