

Fools Rush In

Daryl Hall

Just why do I want you baby
Anyone but a fool would let it be
Go on anywhere you take me
I don't want to know what's pulling me
If I fall so deep
With my eyes so wide
Then I hope that feeling isn't only mine

Fools rush in
Where the wise don't go
Fools rush in
And I'm a fool for love
Fools rush in
But the wise don't know
Fools rush in

Safe advice
I can't let it stop me
Love don't wanna know the reason why
If we fall so deep
With our eyes so wide
Then I know the feeling isn't
only mine

Fools rush in
Where the wise don't go
Fools rush in
And I'm a fool for love
Fools rush in
But the wise don't know
Fools rush in
