

Rather Be a Fool

Daryl Hall

I can sleep away
In the bed I made
That's the truth I see
Time is talking to me
All the [?] I had
All the good I gave
It turned back on me
So I'm starting to believe

I'd rather be a fool
'Cause a fool don't know
What's going on
Rather be a fool
'Cause a fool don't know
What's going on

Are you up all night
Your letter's in my hand
I can understand
What fire you're trying to light
Is it just [?]
I don't believe that it's the end
Don't take it out on me
'Cause I'm too tired to fight

I'd rather be a fool
'Cause a fool don't know
What's going on
Oh
I'd rather be a fool
'Cause a fool don't know
What's going on

Ooh
Ooh
Hey

Oh I'd rather be a fool
'Cause a fool don't know
What's going on
Oh I'd
Rather be a fool
Oh

I will never understand
Never would and never can
But what does a fool know
How can something be so right
Then go so wrong
Overnight

Goddamn why you wanna hurt me
Why you wanna hurt yourself
When it could've been good
Could've been right
[?] back on me
I'm starting to believe

[?] back on me
Oh
