

A Thing Called Love

Daryle Singletary

Six foot six he stood on the ground
Weighed two hundred and thirty five pounds
But I saw that giant of a man brought down to his knees by love
He was the kind of man that would gamble on luck
Look you in the eye and never back up
But I saw him cryin' like a little whipped pup because of love

You can't see it with your eyes hold it in your hand
But like the wind that covers our land
Strong enough to rule the heart of any man this thing called love
It can lift you up it can let you down take your world turn it all around
Ever since time nothing's ever been found stronger than love
Most men are like me they struggle in doubt
Trouble their minds day in and day out
Too busy with livin' to worry about a thing called love
But when I see a mother's tenderness
As she holds her young close to her brest
I thank God that this world's been blessed with a word called love

You can't see it with your eyes...
Ever since time nothing's ever been found stronger than love
