

I Knew I Loved You

Daryle Singletary

Maybe it's intuition
But some things you just don't question
Like in your eyes, I see my future in an instant
And there it goes, I think I've found my best friend

I know that it might sound
More than a little crazy
But I believe

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life

There's just no rhyme or reason
Only a sense of completion
And in your eyes, I see the missing pieces
I'm searching for, I think I've found my way home

I know that it might sound
More than a little crazy
But I believe

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life

Ooh hoo ooo, hoo hoo ooo ohh
A thousand angels dance around you
(Ooh hoo, hoo ooo hoo ooo hoo hoo hoo)
I am complete now that I have found you

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life

I knew I loved you before I met you
I think I dreamed you into life
I knew I loved you before I met you
I have been waiting all my life

I knew I loved you
