

Miami, My Amy

Daryle Singletary

Well, everybody talks about the California quakes
But the first time I ever felt the earth shake was in Miami
When Amy touched me, oh, it shook me

I told her I loved her and I wanted to stay
But she said, "be sure, and I'll call you in LA"
Even in the taxi I could hear my telephone ring

Calling me from Miami, my Amy
What took you so long
I thought you'd never call
Miami, oh, my Amy
Miami, my Amy loves me after all

Now Amy just called and said, "please come back"
I said, "I'm on my way, babe, I ain't even unpacked"
"I want you, I love you", that's all she had to say
Good-bye LA

Now once again I'm Miami bound
Can't wait till this plane touches down
Because I know my Amy will be waiting at that Miami gate
I can't wait

Miami, my Amy
What took you so long
I thought you'd never call
Miami, oh, my Amy
Miami, my Amy loves me after all

Oh, Miami, my Amy loves me after all
