

My Baby's Lovin'

Daryle Singletary

Now listen to me

I got a woman that's in love with me
She give me lovin' like it's supposed to be
She's wide open, she don't hold back
She's gonna get me with a heart attack

If it kills me I don't mind
I'll be smilin' all the while I'm dyin'
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine

I love the way she can't let me be
You know she starts kissin', talkin' sweet to me
She's walkin' around in them high heel shoes
She got me doin' anythin' that she wants me to

And if it kills me I don't mind
I'll be smilin' all the while I'm dyin'
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine

Every way she dresses drives me wild
My baby's got a unique style
She's got me eatin' from the palm of her hand
She makes me feel
(How does she make you feel?)
She makes me feel like a full grown man

If it kills me I don't mind
I'll be smilin' all the while I'm dyin'

Aw, let me tell ya one more time

I got a woman that's in love with me
She gives me lovin' like it's supposed to be
She's wide open, she don't hold back
You know, she's gonna get me with a heart attack

If it kills me I don't mind
I'll be smilin' all the while I'm dyin'
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine
My baby's lovin' is oh so fine, y'all

My baby's lovin's so doggone fine
My baby's lovin's so fine
My baby's lovin'
My baby's lovin's so fine, y'all
