

## It's Only Love

Daryll-Ann

I think you have to go now  
My love  
You're on your own  
And after all  
It wasn't such a great idea  
At all  
Give me the morning  
She said  
I think I'd like to be  
In love with you  
And do the things that lovers do  
My love  
I think before the showdown  
Has come  
I'll throw down my arms  
For I don't have to win  
And you don't want to die  
So young  
Bring in the army  
She said  
I think I'd like to be  
In love with you  
Yeah all the way through  
My love, my only love  
My love  
I think I have to go now  
My love  
I've let you down  
For all I know  
The river's always running free  
To fall  
My love, my only love  
My love, my only love
