## **Tools R Us**

Automated tools won't help you in a sea of love You move cos your hands are crawling And the sea is rough Sailin' on a basic instinct through a bloody war Doing your sailors' favours when the battle is poor Only sail on to a shore baby alright Sing with the wind of hunger, a song to a siren I'm blowing at me and .. Forget your time The wind that we need to conquer like precious time Sailin' on a basic instinct through a bloody war Doing your sailors' favours when the battle is poor Only sail on to a shore baby alright Sing with the wind of hunger, a song to a siren Automated tools won't help you in a sea of love You move cos your hands are crawling And the sea is rough
