Yo yo
Well biggity back from the gutter, ya peep the butter flow comin at'cha
Check the rapture that I miggity manufacture
Body snatcher, here to throw the pitch again
Gotta switch again because we back up in this bitch again (No doubt)
We roll like Michelin, the rappers know the pedigree
Flowin steadily, yo Boogie Banger, is you ready G?

I'm miggity made of snakes-n-snails and Rottweiler tails
Jiggity joined by the balls in case all else fails
Higgity hails from the land of gunslinging and I tell ya one thing
Diggity Das EFX we run things, hunting
Down hardcore clowns and love singers
And I got more styles than Brooklyn got drug slingers (word up!)
Police oppress me, MC's wanna stiggity stress me
Tickity talkin more trash than a Hefty
Heaven-to-Betsy when Dray spark the sess, we left
You faggot MC's marked for death

Ain't niggity nuttin gettin rid of me
Big up to PMD, forever gettin blunted
Flooded in the triple black Benz 500

I riggity rap like Saran from here to Pakistan
Me and my man came to kick styles out the can
Fridge you with the flow, yo it's the big chill
Ship all pounds plus stack my grants in a hill
You better settle back, bruh, or ya head'll splat
