Das Racist

R... R... How do you spell it? Raciste?
Nope, I'm sorry, your name is not on the list

Step aside! Step aside!

No-no-no, it's cool. They're with me

I spotted you in Sean John
At the Spring and Summer sample sale
The overstock of oversize made you look so thin and pale
Where has we met before?
Balenciaga show?
Backstage in Paris or face-hunting in Milan, ooh let's go

I'm at the fashion party
I'm wearing fashion clothes
I'm putting fashionable powders up inside my nose
Looking at these fashion friends
Tryin' to make them fashion ends
Tryin' to touch that fashion paper
Like they was fashion pens
I'm like a fountain pen
I look like mountain men
But I'm not a mountain man
I'm a f*cking mountain, man
I f*ck with fashion trends
My trends are fashion forward
Two dollar jeans and Gucci visors from the dollar store

Garbage bags, Lanvin
Why you call it 'Lan-vin'?
People very educated out here in the Hamptons
Yes I'm tan, and Taliban chic
Shorty said I look like a Taliban freak
Mr. Tally Man told me I'm bananas last week
I'm Heems, working on a line with Khalif
Let's freak
Highest thread counts on my sheet
Ain't I seen you at that fashion party last week?

I'm at a fashion party
I'm wear-ing fashion clothes
I'm wearing fashion fabrics everyone in fashion knows
I'm smoking ganja weed
(But dog, what about the Janjaweed?)
Yo the Pope wear Prada, the devil wear Prada
I can't be bothered, I'm tryin to holla!

I see London, I see France
Where'd you get yourself those pants?
I can't tell if you want to hit me or if you want to dance
Hot pink and acid green
All dressed up like Halloween
Can't tell you if I know you from the catalogue or magazine
(She's a model and she's ooh, looking good)
I got the cameras flashin'

Fa-Fa-Fa Fashion

Next is bed and breakfast
Carmel, Michel Foucault, Michelle ma belle
Yup, Western medicine
Lobster, steak, and venison
Wafer thin crackers, famous actors
Duck confit, Pinot Grigio
Hummus with miso, scallop piece-io
So freaky-deaky, so fashion fashion

I'll take a five zero CK one
And make a two three sport
Tell the interns to shut the Dior
Studded, beaded, slip-on flats
With high-top low-rise ankle wraps
Mulberry, periwinkle, beige ecru
Eggplant, mustard, midnight blue
Tie-dye laced with leather trim
Musky sport cologne for him

I see London, I see France
Where'd you get yourself those pants?
I can't tell if you want to hit me or if you want to dance
