Das Racist

Yes, yes, yes yes
More like a spiced-out Manmohan Singh
Or like a spiced-out I.K. Gujral
Like a spiced-out Bhagat Singh
Spice wars, crack wars
I love this song, shorty said

Queens Boulevard, Kierkegaard, hustle hard
Hustle bustle OMG, on my guard, oh my god
Vic came back with three pizzas, gave one to Dap
His stomach under-crowded, proud kid, young Samaritan
Fuck a George Harrison, embarrassin'
Sitars no comparison, looking garish
Hit it out the park, Roger Maris
Plus Shea Stadium, Flushing, Corona
Chop shop, Pop Rocks, My Sharona, ginkgo biloba
Hold up, slow up, blow up, pull-o-ver
Get Smart Again, it's a cardigan, play the race card again
And again, and again, drinks at Bennigan's
Where's Ralph Waldo, Ellison?
Person of color, ya'll can't see me

Both times the answer stay: Kool AD!

The kid ran the fuck out the door
And never came back til' three weeks later
In the same black t-shirt
Stayed yakked til his teeth hurt
Coughing up blood like
"Nah, nah don't worry bout it"
Roll up in a silver Hyundai and scurry up out it
Niced out, no, riced out, drop like a ___ with a tail fin
Boo in the back looking like a young Sarah Palin
But yo pass the Craisins
A young couple of gods in the castle stay blazin'
Watching Tavis Smiley, writing emails to Richard Grabel
White Owl, Cacique, and Sprite on the table
Seven channels no cable
EMI hollerin hoping that the publishing
