

## Return to Innocence

Das Racist

It's not the beginning of the end  
It's a return to yourself - a return to innocence

Really though  
Frat dudes is like juggalos  
Underrated in the game like Mark Ruffalo  
I rock well like Sam and people love it, yo  
At the crib I steady stack bills like buffalo  
I'm dumb but flow and you planning what I done before  
You can't see me, your CD is CB number 4  
Shining on my block, catch you and I run it yo (?)  
Basically all you wack rappers is who I'm gunning for  
India Jones, nice with mine plus the punchline  
On the lunch line I munch mines when it's crunch time  
Dumb rhymes, flows for days, yes I got several raps  
Mixtape was just us but now we work with several cats  
I still live off severance cash, self aware and reverent cats  
Das Racist is running rap  
Run with that or run it back  
Run with that or run it back  
Run it, run it back

(Chanting)

Yeah  
How come EBT cop Cheetos but not hot coffee?  
  
Same reason Biggie and Pac got shot, probably  
Ocky, box with a ox, jokes, not me  
Cocky, papi  
Charles Bugatti flossy  
Feet more fleet than Bob Fosse  
Bob Ross couldn't even copy the original  
On ritalin for a phrase spinach and soil main cobra fang  
Coil, Tesla, extra, extra  
Viper arm Vespa  
Tiger balm chest rub  
Biters warm, less hot  
Mexican hot chocolate  
2pacalypse wild, knock a bitch down  
Out his bitch chair illest Latin rapper with bitch hair  
Believe me, it's there  
No Schrodinger, dumb thinker  
A real humdinger of a blue-eyed soul singer  
Jelly roll bringer, sword swinger  
Vagin-ae scented finger  
You don't really want it with Kool A.D  
A.K.A. Victor Vazquez  
Second best rapper with glasses after E-40  
Rolling with three shorties  
Pop X with dinner, we'll be rolling till 3:40 or 4 or more  
Vitamin C than a grocery store  
What you joking me for?

(Vamp till end)
