

End Of Silence

Dash Berlin

Haunted by the end of silence,
Always, Always away
Haunted by the end of silence,
Always, Always away

Homesick, restless, alone.
A seeking traveler in tune.

Haunted by the end of silence,
Always, Always away
Homesick, restless, alone.
A seeking traveler in tune.

Haunted by the end of silence,
Always, Always away
Homesick, restless, alone.
A seeking traveler in tune.

Haunted by the end of silence,
Always, Always away
Homesick, restless, alone.
A seeking traveler in tune.

Haunted, Always
Haunted, Always

Haunted by the end of silence,
Always, Always away
