

# Losing My Religion

Dasha

Life is bigger, yeah  
Bigger than you and you are not me  
The lengths that I will go to  
Distance in your eyes

No, no, yeah  
Oh no, I've said too much  
I set it up, no

And that's me in the corner, yeah  
That's me in the spotlight  
Losing my religion  
Trying to keep up with you

And I don't know if I can do it, no  
Oh no, I said too much  
I haven't said enough  
I thought that I heard you laughing

What if all these fantasies come  
Flailing around  
Now I've said, I've said  
Too much (Too much)

I thought that I heard you laughing  
I thought that I heard you sing

I think I thought I saw you try  
But that was just a dream  
And that was just a dream

That's me in the corner  
That's me in the spotlight  
Losing my religion  
Trying to keep up with you

And I don't know if I can do it  
Oh no, I've said too much  
I haven't said enough  
I thought that I heard you laughing
