

This Is A Song That I Wrote

Dasha

This is Dasha
This is a song that I wrote
It's very pretty
I thought I had it all but now I don't
Yeah, yeah, yeah, yeah
I didn't know what to say
Maybe I'm just going crazy
Thought I would be the rest for you and I
Maybe I should start being a private eye
I thought I had it all but now I don't

End of final message
