

(Ya-Hey!)

(Ya-Hey!)

Don't follow the streets, jump into the sea  
And just follow the stream  
Don't follow the streets, jump into the sea  
And just follow the stream  
Don't follow the streets, jump into the sea  
And just follow the stream  
Don't follow the streets, jump into the sea  
And just follow the stream

Don't follow the streets, jump into the sea  
And just follow the stream  
Don't follow the streets, jump into the sea  
And just follow the stream  
Don't follow the streets, jump into the sea  
And just follow the stream  
Don't follow the streets, jump into the sea  
And just follow the stream (Ya-Hey!)

Follow the stream  
Follow the stream  
Follow the stream  
Follow the stre-e-e-  
Follow the stream  
Follow the stream  
Follow the stream  
Follow the stream (Ya-Hey!)

Don't follow the streets, jump into the sea  
And just follow the stream
