

How To Walk

DAT ADAM

Swaggin' through my life, like "I don't give a fuck" (shkurr)
Entering the fight, like "I don't need no luck" (yeah)
Made up my own guidelines, I know how to walk (yeah)
Swaggin' through my life, like "I don't give a-," "I don't give a-" (what?)
I don't give a fuck (ahh)
Entering the fight, like "I don't need no luck" (yeah)
Made up my own guidelines, I know how to walk (yeah)
Swaggin' through my life, like "I don't give a-," "I don't give a-"

Okay, about that, it's just kinda true
I mean lately I've been busy actin' like I'm cool
Like I don't need no help, I know what I'ma do
But I don't, never did, let's be real, that's nothin' new
But I'm steady, gettin' better at accepting
And take challenges as lessons, every battle has a benefit
I handled things like I never handled things
Damn, my life starts feelin' like an anime (sugoi)
And I'll let the scars go, I just let the story flow
And I'm done being the side-kick, I'll make the show my own
If the cameras are rollin', I'll let everybody know
And direct this on my own, yeah, that's the way to go, yeah
Yeah, yeah, and that's the way to go, yeah (I know how to walk)
Yeah, I direct this on my own, yeah, yeah (I know how to walk)
Yeah, I know how to walk, yeah
(I know, I know, I know how to walk)

I'm swaggin' through my life, like "I don't give a fuck"
Entering the fight, like "I don't need no luck" (yeah)
Made up my own guidelines, I know how to walk (yeah)
