

# Money

Data

What's your claim to fame  
Are you searching for glory  
To relieve the pain  
Or just wanna make money  
But you sound insane (Money)  
And you can fight this feeling (Money)  
We're all playing the game (Money)  
Of fame, love, and money  
Grab the cash and leave  
Get yourself a gun  
Cause now you're rich  
fun, fun  
And spend like there's no tomorrow  
Let's play the game and hide the sorrow

Money, money
