

Can't you see the vision of love
When you look up in the sky
Skywriter on the run
Grows a life in a song
Shining on my soul
Skywriter on the run
I'm going up to bring you the news
And kiss the skies
Skywriter on the run

I've been, searching
So high, that I burned my wings
And I haven't found, what was, written in the sky
Got a fear, of what you did
And I know, that you are, the one who can find
And really understand

I came so far to give you fantasy
I hope you open up your mind
But you know that you're a star for me
I came so far
Skywriter on, skywriter...

Can't you see the vision of love
When you look up in the sky
Grows a life in a song
Shining on my soul
I'm going up to bring you the news
And kiss the skies
I'm going up to bring you the news
And kiss the skies
Skywriter on the run

I came so far to give you fantasy
I hope you open up your mind

Now in my bed when I sleep
I close my eyes and I see
Shadows dancing in vain
Let me show you the way

And you will understand
What does this dream mean and
Finding the keys in your eyes
Skywriters in the sky

I came so far to give you fantasy
I hope you open up your mind
But you know that you're a star for me
I came so far
Skywriter on, skywriter...

I came so far to give you fantasy
I hope you open up your mind
But you know that you're a star for me
I came so far
Skywriter on, skywriter...
