I want to be Lou Reed, cause I am  
I want to be Lou Reed, cause I ain't  
I want to be a saint, cause I ain't  
I want to be a saint, cause I ain't

I want to be as one, glory under sun  
Do you understand, glory under sun

Oh wonder woman, oh Lord, oh and your son.

Because they wanna make us say 'oo oo yeah yay'  
Come on baby, come on alright
