

Molly Ringwald  
You're Pretty In Pink  
Molly Ringwald  
I know what you think  
That I'll forget you  
The girl of my dreams  
That I'll neglect you  
It's rude and obscene

So don't leave me  
You're breaking my heart  
And believe me  
I'm falling apart

Molly Ringwald

Molly Ringwald  
I know what you think  
That I'll forget you  
The girl of my dreams  
That I'll neglect you,  
Its rude and obscene

So don't leave me  
You're breaking my heart  
And believe me  
I'm falling apart

Don't Deceive Me  
Relieve Me  
Say it's OK  
Say it's alright

In Pretty in Pink  
In 16 candles  
In Breakfast Club  
You were there for me  
And I'll always be there for you

So don't leave me  
You're breaking my heart  
And believe me  
I'm falling apart

Don't Deceive Me  
Relieve Me  
Say it's OK  
Say it's alright
