

Nightflight to Uranus

Datarock

We're gonna take you
We're gonna take you
We're gonna take you to another place

We're gonna take you
We're gonna take you to our favourite place

We're gonna come, the milky way
We're gonna come, and then we'll stay

Let's take a nightflight,
Let's take a nightflight - to Uranus

We're gonna come, and then we'll leave
We're gonna give and we'll receive

Let's take a nightflight,
Let's take a nightflight to Uranus

Nightflight to Uranus
Nightflight to your anus
Nightflight to Uranus
Nightflight to your anus

We're gonna come, the Milky Way
We're gonna come, and then we'll stay

Let's take a nightflight,
Let's take a nightflight to Uranus

Nightflight to Uranus
Nightflight to your anus
Nightflight to Uranus
Nightflight to your anus
