

# Battleships

Daughtry

Yeah

I'm sinking inside  
And the masts and lines are broken down tonight.  
I swallow my pride  
But we're drowning in the ocean and it's tearing my heart open

Baby, we're high then we're low, first it's yes then it's no, and we're changing like the tides  
Yeah, but I want you, I need you, and I guarantee you we'll make it out alive

'Cause I don't wanna fight no more,  
Even when the waves get rough  
I don't wanna see the day we say we've had enough

And I don't wanna fight this war  
Bullets coming off our lips  
But we stick to our guns and we love like battleships.  
Like battleships.

Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes

Bombs fly through the air  
And I know that we're both playing not so fair.  
Oh, show, show me you care  
I got my white flag up and it's waving 'cause you know this love's worth saving, baby.

We're high then we're low, first it's yes then it's no, and we're changing like the tides  
Yeah, but I want you, I need you, and I guarantee you we'll make it out alive

'Cause I don't wanna fight no more,  
Even when the waves get rough  
I don't wanna see the day we say we've had enough

And I don't wanna fight this war  
Bullets coming off our lips  
But we stick to our guns and we love like battleships.  
Like battleships.

Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And we love, yeah we love  
And we love, yeah we love

I'm sinking inside

Can we finally put our weapons down tonight?

'Cause I don't wanna fight no more,  
Even when the waves get rough  
I don't wanna see the day we say we've had enough

And I don't wanna fight this war  
Bullets coming off our lips  
But we stick to our guns and we love like battleships.  
Like battleships.

Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And the cannon goes  
Boom, ba-boom, boom, ba-boom, boom, boom  
Boom, ba-boom, boom, ba-boom  
And we love like battleships.
