

# Crashed

Daughtry

**E E G** (2x)

**E**

Well I was movin at the speed of sound

**E G**

Head spinnin couldn't find my way around

**E E G**

and Didn't know that I was goin' down Yeahh, Yeahh

**E**

Where I been, well its all a blurr

**E G**

What I was lookin' for, I'm not sure

**E E G E**

Too late and didn't see you coming Yeahh, Yeahh

**G**

Then I crashed into you

**C**

and I went up in flames

Could've been the death of me

**A E**

But then you breathed your breath in me

**G**

Then I crashed into you

**C**

like a runaway train

You will consume me

**A E**

Well, I can't walk away

**E**

Some how I couldn't stop myself

**E G**

Just wanted to know how it felt

**E E G**

Too strong I couldn't hold on Yeahh, Yeahh

**E**

Now I'm just tryin to make some sense

**E G**

Out of how and why this happened

**E E G E**

Where were headed, there's just no knowin Yeahh, Yeahh

**G**

Then I crashed into you

**C**

and I went up in flames

Could've been the death of me

**A E**

But then you breathed your breath in me

**G**

Then I crashed into you

**C**

like a runaway train

You will consume me

**A**

Well, I can't walk away

**E**

Your face, your eyes

**G**

are burnin to me

**E**

You save me, you gave me

**A**

Just what I need

**E**

ohh, just what I need

**E**

**G**

Then I crashed into you

**C**

and I went up in flames

Could've been the death of me

**A E**

But then you breathed your breath in me

**G**

Then I crashed into you

**C**

like a runaway train

You will consume me

**A**

Well, I can't walk away

**E**

**G**

Then I crashed into you (x3)

**C**

Like a runaway train

You will consume me

**A**

But I can't walk away
