

Feels Like The First Time

Daughtry

I would climb any mountain
Sail across a stormy sea
If that's what it takes me baby
To show you how much you mean to me
And I guess it's just the woman in you
That brings out the man in me
I know I can't help myself
You're all in the world to me

It feels like the first time
Feels like the very first time
It Feels like the first time
It Feels like the very first time

I have waited a lifetime
Spent my time so foolishly
But now that I've found you
Together we'll make history

And I know that it must be the woman in you
That brings out the man in me
I know I can't help myself
You're all that my eyes can see

And it feels like the first time
Like it never did before
Feels like the first time
Like we've opened up the door
Feels like the first time
Like it never will again, never again

Feels like the first time, it
feels like the first time
It feels like the very first
time, very, very, it feels
It feels like the first time, oh it
feels like the first time
It feels like the very first time

Open up the door, won't you
open up the door? Yeah

Feels like the first time
And it feels like the very first time
And it feels like the first time
It feels like the very first time

And it feels like the first time
It feels like the very first time
Oh it feels, it feels like the first time
Yeah it feels like the first time
