

# Ghost of Me

Daughtry

Thought it was dead and buried  
Then it woke you up last night  
You sounded so damn worried  
You've been tossing, turning, both ends burning

I wanna put your mind at ease again  
(Make everything alright)  
I know it's getting underneath your skin  
I've tried to tell you now

Don't look over your shoulder  
'Cause that's just the ghost of me  
You're seeing in your dreams  
Wait, there's no rhyme or reason

Sometimes there's no meaning  
In the visions when you're sleepin'  
Don't wake up and believe them  
You're looking at the ghost of me

With your imagination and emotions running wild  
Fueling my frustrations like a fire burning, clock keeps turning  
I know it's getting underneath your skin  
I've tried to tell you now

Don't look over your shoulder  
'Cause that's just the ghost of me  
You're seeing in your dreams  
Wait, there's no rhyme or reason

Sometimes there's no meaning  
In the visions when you're sleepin'  
Don't wake up and believe them  
You're looking at the ghost of me  
You're looking at the ghost of me  
You're looking at the ghost of me

Don't look over your shoulder  
'Cause that's just the ghost of me  
You're seein'  
Wait, there's no rhyme or reason

Sometimes there's no meaning  
In the visions when you're sleepin'  
Don't wake up and believe them  
Visions when you're sleepin'  
Don't wake up and believe them  
You're looking at the ghost of me  
You're looking at the ghost of me  
You're looking at the ghost of me
