

# Lullaby

Daughtry

I can't wait to see your faces  
I can't wait to hold your hands  
I can't wait to take you places  
And watch you try to understand  
But until I do  
Yeah, until I do  
I'll be right here waiting for you

I can't wait to see your faces  
And I can't wait to hold your hands  
When you get here, it's off to the races  
And we'll tackle all life's demands  
But until I do  
Yeah, until I do  
I'll be right here singing for you

Soon I will see your faces  
And I'll get to hold your hands  
I know I'll have trouble trying to explain  
The things I don't understand  
And until I do  
Since I won't have a clue  
I'll just sing this song for you

Yeah, until I do  
And this is you-know-who  
And Daddy's right here singing for you
