

# Over You

Daughtry

**E**

Now that it's all said and done,

**B** **C#mi**

I can't believe you were the one

**B**

**A**

To build me up and tear me down,

Like an old abandoned house.

**E**

What you said when you left

**B**

Just left me cold and out of breath.

**C#mB** **F#mi**

I fell too far, was in way too deep.

**A**

**B**

Guess I let you get the best of me.

**E**

Well, I never saw it coming.

**E**

I should've started running

**B**

A long, long time ago.

A long long time ago.

**C#m**

**C#mi**

And I never thought I'd doubt you,

**B**

I'm better off without you

**A**

More than you, more than you know.

**E**

I'm slowly getting closure.

**E**

I guess it's really over.

**B**

I'm finally getting better.

**C#mi**

And now I'm picking up the pieces.

**B**

I'm spending all of these years

**A**

Putting my heart back together.

**F#mi**

**A**

'Cause the day I thought I'd never get through,

**B**

I got over you.

**E**

**B**

You took a hammer to these walls,

**C#mi**

Dragged the memories down the hall,

**B**

**A**

Packed your bags and walked away.

There was nothing I could say.

**E**

**B**

And when you slammed the front door shut,

**C#mi**

A lot of others opened up,

A lot of others opened up

**B F#m**

**B**

**F#mi**

So did my eyes so I could see

**A**

**B**

That you never were the best for me.

I got over you.

I got over you.
