

# SHOCK TO THE SYSTEM

Daughtry

Always been such a creature of habit  
I try to quit, but I keep coming back like an addict  
My body's numb, I'm paralyzed  
Feels like I'm dead on the inside  
And I can't seem to find the light

I'm looking for a way out now  
Looking for a higher ground  
I wanna feel something different  
Adrenaline gone ballistic  
There's nothing like a shock to the system  
So I'm looking for something to bring me back to life  
To feel good to feel alive

I don't know how it all got started  
I'm out in space, but I'm running in place  
Cold-hearted and guarded  
I'm bleeding out, I need escape  
Hard not to feel the weight  
When gravity has its way

I'm looking for a way out now  
Looking for a higher ground  
I wanna feel something different  
Adrenaline gone ballistic  
There's nothing like a shock to the system  
So I'm looking for something to bring me back to life  
To feel good to feel alive

I'm looking for a way out now  
Looking for a higher ground  
I wanna feel something different  
Adrenaline gone ballistic  
There's nothing like a shock to the system  
Oh, there's nothing like a shock to the system

Looking for a way out now  
Looking for a higher ground  
I wanna feel something different  
I wanna feel something different  
Shock to the system  
So I'm looking for something to bring me back to life  
To feel good to feel alive
