

There and Back Again

Daughtry

Dmi7
Take, take your time
C Es
Smell the roses, but steal the vines
Dmi7
Don't wait for the hands of time
Dmi7 C Es
To second guess and change your mind
Dmi7
Now shine.
G
Here's your moment to shine
B-C
Shine

Dmi
Lay it down, my friend
C
Close your eyes, breathe in
G B
And I'll take you there and back again
Dmi
No more questions why
C
I'm not surprised
G
Why you have
As B Dmi As G
Been there and back again
Dmi
Replace, replace that line
Dmi
That spoke to you
C Es
But showed no signs
Dmi
To be alive.
Dmi
So are you living or dead?
Dmi
You have made a choice to hear your voice
C Es
Or hold on to what they said?
Dmi Dmi B C
Now shine, here's your moment to shine
B C
Shine
