

Better Than Christmas Day

Dave Barnes

Sleigh bells ring
As Nat King Cole sings
Chestnuts roasting on an open fire
Just enough heat to beat the cold outside

The snow blows
Like a shook up snow globe
The kids and presents are all wrapped up
It's the one day it's okay to make a fuss

It's fantastic
Between the mistletoe and the magic
It's as good as it gets but the fact is
You're better than Christmas day

When you kiss me
Your lips are sweeter than peppermint candy
You could fill every stocking right to the top
But it can't hold a candle to what Iove got

It's fantastic
Between the mistletoe and the magic
It's as good as it gets but the fact is
You're better than Christmas day

You can add up all the good stuff
That Iove gotten and given too
And multiply it a million times
But it still ain't as good as you

It's fantastic
Between the mistletoe and the magic
It's as good as it gets but the fact is
You're better than Christmas day

It's fantastic
Between the mistletoe and the magic
It's as good as it gets but the fact is
You're better than Christmas day

So much better, babe
So much better, babe
Than Christmas day
